

19" Racks

Injection mold 19" racks made of impact-resistant polypropylene

Sinora Racks are particularly robust and lightweight thanks to their innovative X design. The surface is equipped with pearl effect. The first injection mold rack of its kind offers you transport safety and good handling for your 19" devices.

Advantages

- Robust snap locks
- stackable
- Rack rails made of steel at the front and rear with M6 cage nuts
- Robust handles
- Good fit, the lids are interchangeable

Overview of sizes

Item No.	Height units (U)	Dimensions exterior (mm) wxhxd	Distance between the rack rails (mm)	Distance rack rail to lid (mm)	Weight (kg)	Design
SIN-RIM-02U46-BK	2	570x145x620	458	30 + 30	-	X-Design
SIN-RIM-03U46-BK	3	570x190x620	458	30 + 30	7,45	X-Design
SIN-RIM-04U46-BK	4	570x235x620	458	30 + 30	-	X-Design
SIN-RIM-06U46-BK	6	570x280x620	458	30 + 30	-	X-Design
